## Picnic at Homestead Park

*Tuesday July 26th*

The program will be "Family Photography using natural lighting," led by Brad Bogue of Bradley Bogue Photography, in University Place.

Homestead Park at 37th and Bridgeport reserved for July 26th from 5 to dusk. The place is an island of old trees in the heart of University Place, right next to the city hall, where the old Mama Stortini's was, across from Trader Joes.

If it is raining, the plan "B" location will be Titlow Park. Just follow 6th Ave, down to the Tacoma Narrows waterfront. Titlow Park has a large covered area for the picnic.

PCPPA will provide sodas and sausages and burgers. Bring something to go with it.
